

# Study Abroad Nursing

## Are you interested in global health care and a unique cultural experience?

Ranked 9th in the world for Nursing\*, The University of Queensland's innovative Bachelor of Nursing program was developed in consultation with patients, students, professional associations, and industry partners.

\*2022 Global Ranking of Academic Subjects

If you have successfully completed two and a half years of study at Chang Gung University of Science and Technology, you can apply to Study Abroad in the Bachelor of Nursing at UQ. You will complete three courses during the semester.

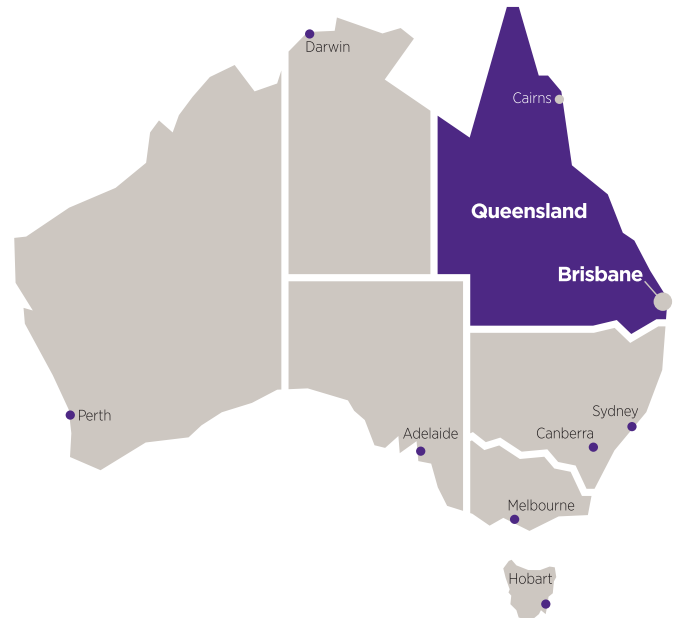

# The UQ School of Nursing, Midwifery and Social Work

The University of Queensland's School of Nursing, Midwifery and Social Work brings together academics, clinicians, practitioners and students who want to make a difference to the lives of others.

Located in Brisbane, just one hour drive from the Gold Coast, the School is based at The University of Queensland's main campus, St Lucia. Considered one of the most beautiful campuses in the world, St Lucia campus is a vibrant mix of old sandstone buildings, modern architecture, parklands and lakes. It is a city within a city with everything you need to study, live and relax.

The UQ St Lucia campus is approximately five kilometres from the Brisbane city and is a 15 minute bus or City Cat ferry ride.

# Your University of Queensland study plan

During your semester of studies at The University of Queensland, you will complete three courses within the School of Nursing, Midwifery and Social Work and Faculty of Health and Behavioural Sciences.

Your semester will explore the range of roles within Australia's health system and how they contribute to the health and wellbeing of individuals and communities. You will recognise the role of the nurse in providing care for individuals with complex and lifelong health issues, as well as the psychosocial concepts of health, wellness and illness across the lifespan.

## UQ Semester 2 (July to November)

HLTH1000	Professions, People and Healthcare	2 units
NURS1202	Nursing Across the Lifespan 1	2 units
NURS2105	Nursing Care for People with Complex Conditions 1	2 units
